February, 2009

Dear Friend of Waterford:

The sun shines brightly and the days are getting longer, bringing hope that spring is around the corner. While summer may seem eons away, the Waterford Week Committee is working diligently to plan an exciting array of events for the annual Waterford Week celebration. This year Waterford Week will run from Wednesday, August 12<sup>th</sup> through Sunday August 16<sup>th</sup>, with a few satellite events on Sunday, August 22<sup>nd</sup>. The reorganization of Waterford Week has resulted in a shortened time frame crammed full of events for folks of all ages. Traditional standbys like the play, craft show, and fireworks continue to hold major spots in the calendar of events.

Waterford Week is made possible by the hundreds of volunteer hours donated by Waterford residents. The Town of Waterford budget contributes funds on an annual basis for start-up costs. The remainder of income comes from donations and admission fees. With today's rising costs this is a large undertaking for a group of volunteers!

The committee has developed an advertising campaign that includes small lawn signs announcing "**I Support Waterford Week**". We envision a drive through town where signs abound reminding folks that Waterford Week approaches. We hope you will consider supporting Waterford Week and proudly display a lawn sign from July 10<sup>th</sup>-August 22<sup>nd</sup>, 2009. The enclosed form provides complete details.

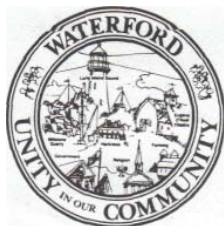

We appreciate your support!

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen Taylor".
